**Published School Menu Changes:**

We have been informed from LCC Catering that it has become necessary to temporarily change the current primary school published menu and to replace this with a simplified temporary menu alternative. This has become necessary due to the ongoing difficulties being encountered with food product availability and delivery consistency.

The simplified temporary menu offer will take effect from next week and will be in place for a 3-week period. The school meal promotion on Thursday 7<sup>th</sup> October will take place.

We are very lucky to have a fantastic Kitchen Team who work tirelessly to provide excellent school meals and during this brief period of time, they will continue to offer the best possible menu choices.

**Annual Nasal Flu Vaccinations:**

The Intrahealth Team will be in school on Wednesday 24<sup>th</sup> November to deliver the Annual Nasal Flu programme. Your child came home with a consent form (issued 28<sup>th</sup> September) for you to complete. Please read and complete either the YES form or NO form in full (one per child) and return to school by Friday 15<sup>th</sup> October. The nursing team will be wearing PPE and a full risk assessment has been carried out.

**Head Lice:**

Head lice is an on-going issue in school and it is imperative that every family has their hair checked regularly in order to keep head lice at bay. However, if your child does have head lice, once they have had the treatment applied, they can return to school. There is no need to be absent from school due to headlice.

And finally...

As always, please do get in touch if you have any queries or concerns.

Yours sincerely

B Wood  
Headteacher
