The '-ed' Suffix Game 1

Instructions:

Use counters and a dice to play this fun '-ed' suffix game. Each player rolls the dice and moves their counter along the board. Each time a player lands on a word, they must write down the new form of that word using the '-ed' suffix. Be careful, as sometimes the new '-ed' suffix might mean that you have to only add a '-d', or it might need an extra consonant. Good luck!
